**~~PROPOSED~~ ORDER GRANTING PLAINTIFFS' MOTION FOR ATTORNEYS' FEES, COSTS, AND
PLAINTIFFS' SERVICE AWARDS**

1 The Plaintiffs' Motion for Attorneys' Fees, Costs, and Plaintiffs' Service Awards, filed
 2 by Plaintiffs on behalf of themselves and all others similarly situated, came for hearing on
 3 September 27, 2013. The Court has reviewed the motion, including the Memorandum of Law
 4 and supporting Joint Declaration, as well as Plaintiffs' Motion for Final Approval of Class
 5 Action Settlement and supporting documents, and has considered the arguments of counsel.
 6 Based on this review and the findings below, Plaintiffs' Motion is GRANTED, and it is hereby
 7 ORDERED that:

9 1. The requested attorneys' fees and costs are fair, reasonable, and were incurred in
 10 the best interests of the Settlement Class. Class Counsel (Carney Bates & Pulliam, PLLC,
 11 Golomb & Honik, PC, Ku & Mussman, PA, and Milstein Adelman, LLP), have achieved an
 12 excellent result for the Settlement Class, and are awarded \$1,637,500 in attorneys' fees. This
 13 fee amounts to 25% of the \$6,550,000 non-reversionary common fund and represents a modest
 14 lodestar multiplier of 1.84.

16 2. In addition, Class Counsel are entitled to \$48,801.25 in reimbursement of
 17 litigation expenses which were incurred as a result of this litigation and which were necessary to
 18 secure the resolution thereof.

19 3. Named Plaintiffs Tasha Smith, Fredierick Smith, and Sache Quidon have helped
 20 obtain a benefit for the Settlement Class, and are each awarded \$2,500 for their service as Class
 21 Representatives, for a total of \$7,500.

24 **IT IS SO ORDERED.**

26 DATED: October 1, 2013

 Honorable Edward J. Davila
 U.S. DISTRICT COURT JUDGE
